Security of Clients' Funds

Your funds are completely secure when you trade with RoboForex.

Regulated activity

RoboForex Ltd is an international broker regulated by the International Financial Services Commission Belize, license No. 000138/333.

Negative balance protection

In case the market volatility prevents clients from keeping a positive balance on their accounts, RoboForex Ltd automatically sets the balance to zero.

Compensation Fund of The Financial Commission

The Compensation Fund is a service included with Financial Commission membership which provides protection up to €20,000 per case should a Member refuse to adhere to a judgment from the Financial Commission. For more information, [click here](#).

Civil Liability insurance program

RoboForex has implemented a Civil Liability insurance program for a limit of 5,000,000 EUR, which includes market-leading coverage against omissions, fraud, errors, negligence, and other risks that may lead to financial losses of clients.

HOW TO OPEN AN ACCOUNT WITH ROBOFOREX?

Click [here](#) to open your account at RoboForex.

The screenshot shows the RoboForex Members Area login interface. On the left, there is a white box titled 'Members Area' containing two input fields for 'E-mail' and 'Password', a 'Sign in' button, and a 'Forgot password?' link. On the right, a light blue box contains the text 'Not a RoboForex client yet?' and a green 'Open an account' button.
